

I just wanted to drop a line and say what a pleasure it was working with you, Troy, and everyone else at Premier Sports Cars. From the day we decided to purchase until the day it arrived at my front door was less than 5 days and I couldn't be happier. The customer service, the follow up, the communication , all were above grade with any dealings I have ever done with a dealership. The Ferrari, is immaculate and from 15 years old it has been something I have dreamt about and I am happy I got the pleasure of working with a group of people that could make that dream a reality.

I will certainly recommend you to anyone in the market for a car of this caliber, and look forward to working with you in the future on the next toy in the chest.

Thanks again

Sincerely

Chris Stutsman
