Dick,  
I just wanted to drop you a line and say thank you for the wonderful car you sold me. I purchased a yellow 2005 Dodge Viper from you last May, and drove it back to Oklahoma. Since then I've spent quite a lot upgrading it for greater performance. I can't tell you how thrilled I am with the Viper. For 30 years, I've owned different specialty cars, and for the first time I have something I'm perfectly content with. I need no more. It is perfect in every way; and was just as you advertised it. These days, my expectations are so low when buying anything; but Premier Sports Cars actually exceeded my expectations and hopes. The Viper has already given me many hours of happiness; and people say it's one of the most beautiful cars they've ever seen. I just thought you might want to know how appreciated you and your company are to Angie and I.  
Take care,  
Marcus Payne
