"I recently purchased a used Porsche Carrera GTS from Nic Gilardi at Premier Sports Cars and had the best car buying experience I have ever had – hands down. I have been shopping for this car a long time and wanted a very specific configuration. I live 1400 miles away from Springfield, MO so everything was done via phone and email until I picked the car up. Nic knew the entire history of the car and was able to provide extensive documentation and patiently answered all my questions. The negotiation process was fair and we quickly agreed upon a number. I flew out a few days later and the car far exceeded my expectations in terms of condition. It was immaculate and in perfect mechanical condition. I drove away in the car after about 45 minutes including the test drive. The process could not have been more seamless.

Nic is a car guy and he knows his stuff. This was the best car buying experience I have had and would not hesitate to buy another car from Nic and Premier. "
