I recently purchased my (10th) Porsche; it was delivered on Thursday ... without a PPI. The vehicle arrived in superb condition and was everything as stated by this dealer. Chris and Deidra made the experience seamless; and Deidra laid out the document process like a smorgasbord. This dealer was professional, honest, efficient, straight-forward, and extremely fair with my trade-in. I have absolute confidence in Chris; and I will (only) pursue future purchases with this dealer.
