Dear Chris,

It's taken a bit longer than I had wanted to find the time to write to you. I want to Thank You again for picking us up at the airport, and making the delivery of the Cayenne so easy, uncomplicated, and enjoyable. Even my Wife remarked that she hasn't had such a pleasant experience buying a car. You made everything come together seamlessly.

My Bankers, Laura Moreno and Clarissa complimented You on your staff when I completed the necessary documents. Clarissa had remarked how your staff had everything prepared and in order for her, and that the transaction went off smoothly and easily. It is a rare occasion when a Banker, in this instance two Bankers, will pay such compliments. It is a fitting testament to You and your staff, and the manner in which you conduct business.

I've never come across that before, and it's unlikely that I will, unless I purchase another vehicle from you. And I may very well do just that. It is refreshing to conduct business with people of Integrity and Honesty. Certainly I shall recommend You to anyone who is seeking such.

Chris, I am very happy with the Cayenne, as the vehicle is a delight. But the whole experience in purchasing and acquiring this vehicle from you was most enjoyable. My Wife and I send our Best Wishes for your continued success.

Sincerely,

Michael J. Kogler
